To date, no Mercantile audit revenues have been realized. This program will pick up after the filing period (may)
Positive variance is the result of better and sooner-than-expected audit proceeds

Revenues are off as compared to averages from prior years (to-date) Most notably, May 2012 was extremely strong
Activity is occurring as anticipated
Activity backed up in May, the variance has jumped month-to-month due to various reasons

Negative variance is the result of lower police activity
Positive variance is the result of better-than-expected revenues to date
n/a
Activity across the Board is down from prior years and against budgeted amounts. This is under investigation
Positive variance is the result of Federal Medical Subsidy payment (\$72K) and strong sponsorship revenue to-date
