March 2021 Staff Traffic Status Report

Project Name	Project Information	Status Update
<p>County Line Corridor Study (from Lancaster Avenue to Conestoga Road)</p>	<p>Radnor Township along with Lower Merion funded the County Line Corridor Study (posted on the Township's website). Both Townships agreed that the first project to be constructed from the study would be a traffic signal at County Line Road and Montrose Avenue.</p> <p>Pennoni Engineering Associates was awarded the design contractor for traffic signal.</p>	<p>The signal design has been designed and submitted to Penn DOT. Penn DOT comments have been received and reviewed with both Townships. A meeting is to be scheduled with Penn DOT, Radnor and Lower Merion Townships to discuss the review comments. A timetable for project bidding will be determined upon final Penn DOT approval.</p> <ul style="list-style-type: none"> • On January 28, 2021, Pennoni reports they have not yet received approval from PennDot • They are still evaluating where the traffic light should be placed either Montrose Avenue or Roberts Road • Pennoni inquires whether anything be done on Conestoga Road
<p>King of Prussia Rd & Eagle Rd intersection improvements</p>	<p>Radnor Township, in partnership with Cabrini and Eastern Universities, received a DCED MTF grant to construct intersection improvements including turning lanes, storm sewer, and signal improvements. The project is in the design phase. Rd</p>	<p>The design engineer is revising the plans based on the second round of Penn DOT comments. The Township is still trying to acquire easements needed for the project. Upon easement acquisition and final approval from Penn DOT, a bidding schedule will be put forth.</p>
