**RE: STAFF TRAFFIC COMMITTEE MEETING HELD IN THE POLICE ROLL CALL ROOM, WEDNESDAY, JULY 15, 2020 AT 10:00 AM.**

**NEW BUSINESS**

1. Mr. Al Murphy, resident of Glenmary Road – Concerns of trailers and other large box and container trucks continuing to cut through the neighborhoods using Glenmary Road

Mr. Al Murphy spoke regarding his concerns regarding this matter. Commissioner Booker stated that these trucks passing through were not believed to be local truck deliveries. Highway Patrol Officer Pat Lacey stated that part of the issue is that there are not any signs going eastbound alerting truck drivers that it is not permitted. Staff Traffic Committee will place more “No truck except local deliveries” signs going eastbound. Staff Traffic Committee states if we can possibly obtain the truck numbers in violation, we can call the corresponding companies. Highway Patrol will conduct more enforcement at this location.

**OLD BUSINESS**

1. Bill Heran requests an update on the County Line Road Corridor

Bill Heran spoke regarding his concerns of safety for pedestrians waiting for the bus. It was clarified that the bus he was referring to was a Septa bus. Chief Flanagan discussed the County Line corridor study that the Township performed to make it safe for pedestrians and vehicles. Staff Traffic Committee will contact Septa directly to conduct a site visit and review the safety concern.
