NEW BUSINESS

1. School Zone Consideration near Radnor High School on Radnor Chester Road and King of Prussia Road

Sergeant Mark Stiansen stated RPD would like that 15 mph school zone signs be installed on N. Radnor Chester Road and King of Prussia Road.. Gilmore and Associates has been asked to handle the study. PennDot reports that TE-112 Application and TE-160 School Zone Study will need to be submitted. For this to occur, a Pedestrian count will have to be conducted, per PennDot, when school is back in session. If the Pedestrian count reflects that there are students walking PennDot will approve installation with a plan submission.
