The 42nd Annual Penn Medicine Radnor Run is a Main Line Tradition. The event includes a 5-Mile USA Track & Field sanctioned and certified timed road race through scenic Radnor Township. Known to be a beautiful yet challenging course, the Radnor Run attracts runners from around the area for this fun and festive annual race. The event also includes an un-timed 1-Mile Fun Run/Walk for all ages, as well as a Health Fair. Bring the whole family for fun fall festivities! All proceeds from the event benefit the American Lung Association in Pennsylvania. The money raised supports the American Lung Association's mission to promote lung health and prevent lung disease through education, advocacy and research.

Consider organizing a corporate, school, community or family team to participate this year! Prizes will be awarded for top three fastest teams, largest team, top fundraising team, and more. Get your company involved! Corporate involvement is a great way to work on employee morale and team-building, while doing something good for your community.

Start/Finish at the Radnor Township Building: 301 Iven Ave., Wayne PA 19087
