

Radnor Business & Organization Treasure Hunt

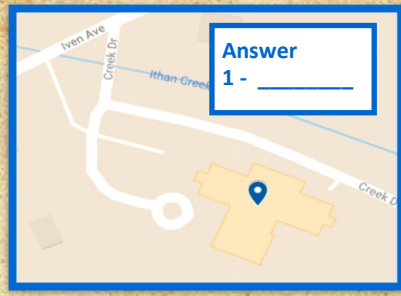

Participate in our free community pirate treasure hunt in Radnor Township all throughout the month of April!

Print out our special treasure map and stop by each participating location to hunt for the skull coin that is posted somewhere at their property! Each site will have a specific colored coin assigned to them. Mark down what color coin you find on your map and continue on through the Township until you find them all!

Hours will vary by location and some locations may have limited hours, so please plan ahead before visiting. For select locations, coins may be posted on the outside of their building.

Example Coin
