

# Champions Division 2021 Fall Soccer Registration is Always open!

The Radnor Soccer Club will be sponsoring our fourth season of fall soccer for children with special needs in grades K-8.

This program is designed for players with special needs of all ability levels. More than ever during these difficult times of the pandemic our players need the support of teamwork, social skills and an opportunity to learn the fundamentals of soccer in a safe and healthy environment. Our priority is to follow the health protocols as stated in the registration. Our professional coaches and volunteers will work together to create a fun, friendly, and positive safe environment for all players.

September 11th – Mid November

Games will be on Saturday mornings and field TBD

Practice will be Wednesdays, 5.00-6.00 PM Field TBD

Register today at <https://go.teamsnap.com/forms/279990>
