

Tree Work ~ In Radnor

Did You Know ?

Did you know that in Radnor Township ~ tree companies need to be licensed with the Community Development Department, to perform any kind of tree work, including pruning?

No more than 5 trees can be taken down under 30" caliper without a clearing permit and appearing before the Shade Tree Commission?

No tree 30" or greater dbh can be removed without first obtaining a clearing permit and appearing before the Shade Tree Commission?

No trees in a commercial district can be removed without first obtaining a clearing permit and appearing before the Shade Tree Commission?

A 30" or greater dbh tree deemed hazardous requires a request to be removed from the Township prior to its removal

Be safe...ask your tree company if they're licensed with Radnor Township.
